

What!

Food Recycling Program

When!

Launched on April 22, 2021

Who!

The Town of Winslow

Where!

The collection site is in the Public Library parking lot.

How! Residents can bring their food scraps to the site for disposal.

Why!

Lowering the cost of waste disposal in Winslow
Every ton of waste diverted saves the taxpayers \$150

Reducing greenhouse gas
keeping organics out of the waste stream
Repurposes waste as compost, energy, and bedding for livestock.

Improves water quality by eliminating some of the leachate from the landfill that gets into the water supply.
